

EconoLite Tension Fabric Panel L -- EL-TF-PL

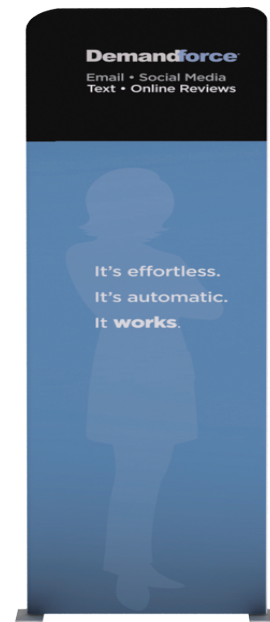

Setup Instructions

1. Take all the parts out of the bags and lay them on the ground according to the assembly diagram.
2. Make sure that all the corresponding numbers are correct.
3. Now start pushing the pipes together until they firmly click, if difficult you can slightly twist the parts together to make the locking spring pop up on place.
4. Its time to get your hands cleaned as now you are ready to handle the printed fabric. Feed the fabric from the round edges of the frame, feed only a few feet, then stand the frame up then slide the fabric to the bottom, now close the Zipper.
5. You can set up the feet in the position that you want to erect the stand, lift the fabric panels and fit on the feet.
6. To lock the frames together you can use the "S" shaped brackets or WL-25 brackets, they are designed tight so they lock well.

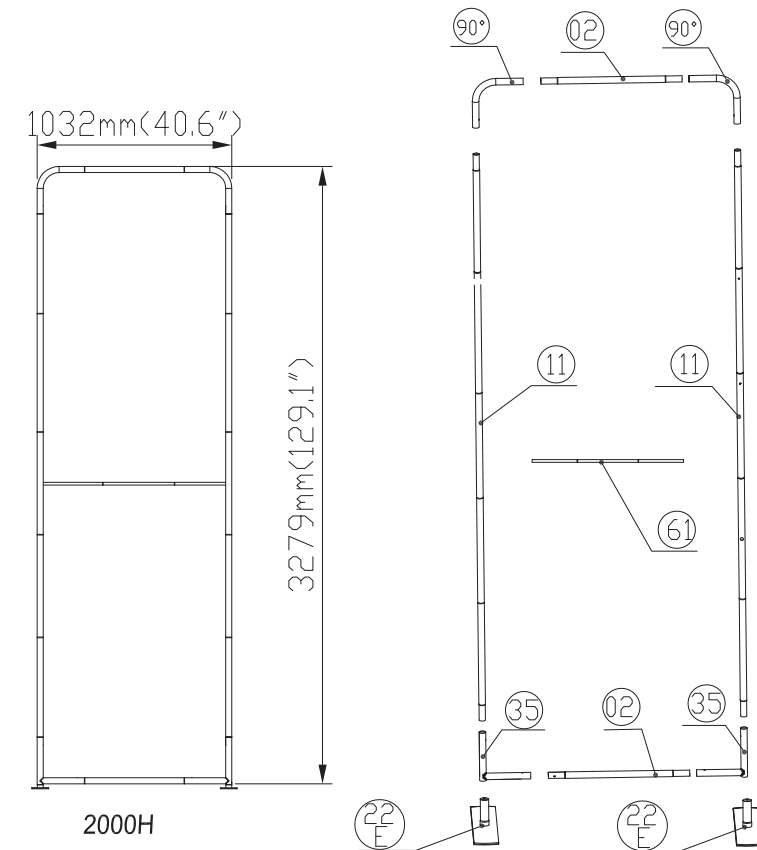

EconoLite Tension Fabric Panel H -- EL-TF-PH

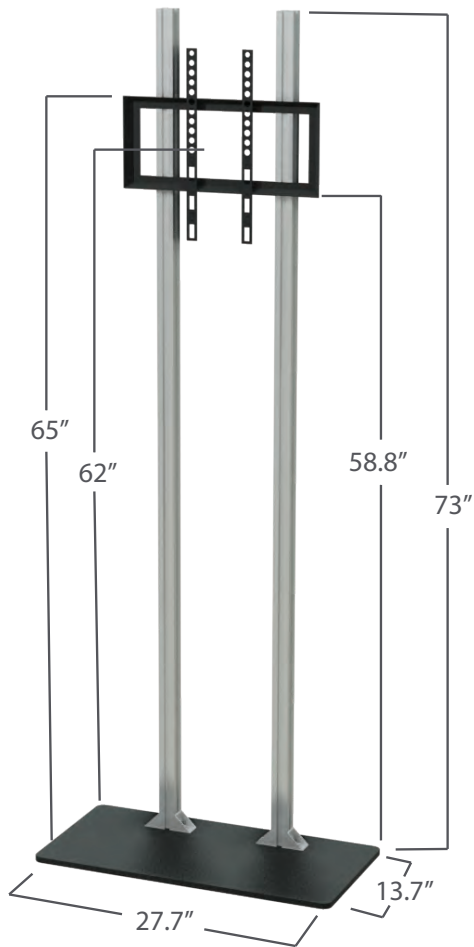

Setup Instructions

1. Take all the parts out of the bags and lay them on the ground according to the assembly diagram.
2. Make sure that all the corresponding numbers are correct.

EconoLite Tension Fabric Large Monitor Mount Instructions

EL-TF-TVM-LM

Lay poles on the floor and match the stickers together. You should see two perforations in the front of each of the top sections.

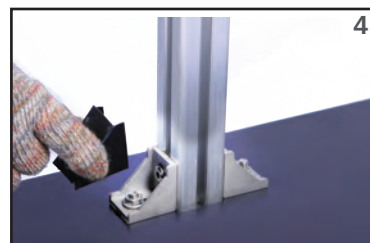

Secure each of the lower sections of the poles to the base with screw **A**.

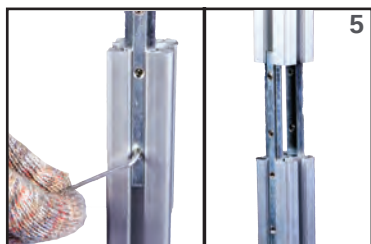

Attach the triangular supports to sides of poles, using **A** screws, **B** gasket and **C** nuts.

Secure screws with Allen wrench

Attach caps to triangular supports

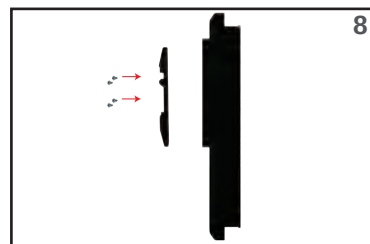

Connect the pole extension using allen key to secure connector insert

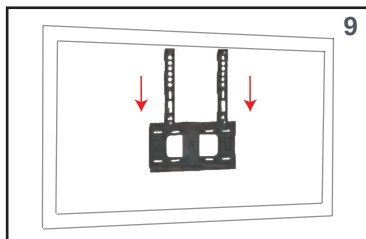

Place the Monitor Stand behind your display, slide the base forward

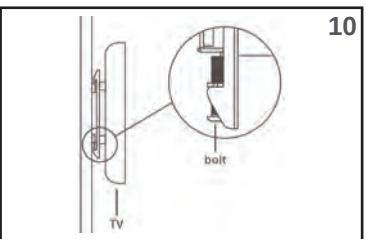

Attach the Mount Plate to the pole, use (4) Philips **D** screw

Mount the brackets to the back of the monitor with 4 **F** screws

Slowly hang the Bracket onto the Monitor Plate

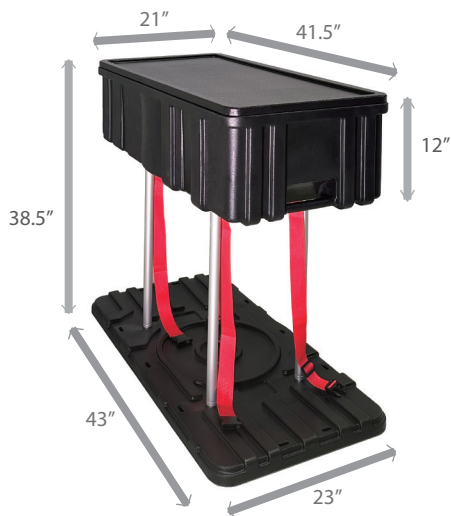

Secure the bracket to the Monitor Plate by tightening the safety screws **E**

Enjoy your display!

Case to Counter CA605

PARTS INCLUDED

PRODUCT DESCRIPTION

The CA605 case redefines convenience and versatility with its robust features. Crafted from heavy-duty plastic, it ensures durability while providing effortless mobility with integrated wheels. Its clever design includes ample storage spaces for organized accessibility. Transforming into a counter without the hassle of tools, this case offers a seamless setup experience.

Adding to its appeal, vibrant graphics are printed on exclusive One Planet fabrics that not only elevate its aesthetics but also highlight its commitment to sustainability. The CA605 stands as a testament to functionality, durability, and eco-friendly innovation, catering perfectly to those in need of a multifaceted and reliable solution.
